

# M O N I T O R

**OPEN SUBMISSION  
CALL FOR ENTRIES**

This is a group show that surveys works that explore specifically the context of the TV / computer monitor. Each work will in some way examine this site in terms of form, function, language and politics. The intention with the show is to monitor current artistic practice through this aperture, seeking as broad a range of approaches as possible.

Please describe below the work you are submitting detailing how it ideally should be presented, whether the work comes with its own monitor or can be translated onto any set. Also describe how this work aligns with your ongoing practice.

Please send a clearly labelled **copy** of the work on DVD or video format (or slides where appropriate) to the address at the bottom clearly marked **M O N I T O R** and with your full name and the title of the work. Please also send a CV and brief biography.

\*\* Send an SAE with the appropriate stamps if you wish this material to be returned. Material will not be returned if this is not included \*\*

**The Deadline for submissions is 5pm Friday 30th September 2005.**

Please ensure you enclose this form with your DVD / Video.

The organisers will contact you if your work has been selected. If they do not contact you then you have not been selected.

**M O N I T O R** is scheduled to open in mid November 2005 at LOT, Bristol. Details of the show and the full list of selected works will be advertised on the website [www.lot6.co.uk](http://www.lot6.co.uk) nearer the opening. This is a collaborative project between LOT and Media Art Bath. For more details on Media Art Bath, please go to the website [www.mediaartbath.org.uk](http://www.mediaartbath.org.uk).
